Honey, GEBR Alumni

Join us at the Grand Hyatt, Buckhead for the Ninth Annual Bully Ball on Saturday, February 17th, 2018. Hosted by the Georgia English Bulldog Rescue (GEBR), the Bully Ball includes dinner, casino, live and silent auctions, raffle and a live band!

GEBR is a 501(c)(3) corporation that rescues abused, abandoned, sick and unwanted English Bulldogs. They are provided with veterinary care, rehabilitation and training before being placed in permanent homes. Staffed solely by dedicated volunteers and one full-time employee, GEBR has no formal facilities or shelter, and relies on experienced, volunteer foster homes to tend the dogs in our care.

Since its inception, GEBR has rescued over 500 English Bulldogs. 76 dogs were rescued or surrendered in 2016 alone, with 43 currently in foster homes. With the support of donors, sponsors and volunteers, GEBR can educate the public about responsible English Bulldog ownership, while helping rehabilitate and rehome these dogs into loving homes.

Over the last eight years, the Bully Ball has raised more than \$900,000 to help care for neglected English Bulldogs in the Southeast. With five colleges in the Southeast using bulldogs as their mascots, many people purchase a bulldog before researching the special needs of the breed.

Please support our mission by becoming a sponsor of the Bully Ball and/or contributing an item to our highly selective and successful silent and live auctions. All Bully Ball proceeds are tax-deductible and 100 percent of the proceeds go directly to medical care of rescued bulldogs.

Thank you!

18 Rescued in Puppy Mill Bust—A Success Story!

On September 20, 2017, Fulton County Animal Control officers seized 18 neglected English bulldogs from a warehouse. Within hours GEBR was called, volunteers ran to action and all 18 were on their way to Dekalb Animal Hospital and Riverside Animal Hospital for thorough check ups. All dogs have or will receive any needed surgeries, emotional or medical care before they move into their forever homes. GEBR relies only on our incredible foster homes to rehabilitate and love these dogs who have been living in crates their entire lives.

To date we have spent over \$12,000 on their care with more expected.
